GAME NIGHT CHEAT SHEET

The Kulture Test

1. Turn on the TV, plug the laptop in with HDMI, pick that HDMI input.
2. Open thekulturetest.com → Venue → Game night setup. Tick the checklist.
3. Pick questions (Auto-pick) and a game length (Standard ≈ 2 hrs).
4. Press Open the lobby. Drag the Big Screen to the TV, click Full screen.
5. Press Start (or let the countdown start it). Scan the Staff remote QR with your phone.

> The game runs itself. It saves automatically and pauses if the laptop drops. You can pause anytime.

QUICK FIXES

Nothing on the TV	Change TV input. Windows + P → Duplicate.
No sound	Click the Big Screen once. Turn TV volume up. Check Unmute on the remote.
Guests can't join	Type the web address and 6-letter room code. Share Wi-Fi.
Laptop died / Wi-Fi dropped	Game pauses itself. Reopen Game night setup → Resume.
Need more break time	Staff remote → Add 2 minutes.
Emergency	Staff remote → End game. Standings are saved.
